

NORTHGATE TEMPERATURE CONTROLLED VEHICLE INSPECTION APP

THE VEHICLE INSPECTION APP THAT KEEPS YOUR FLEET MOBILE

Do you wish it was easier to carry out your vehicle inspections? Well now it is with the Northgate Temperature Controlled vehicle Inspection app.

Remove the hassle of dealing with paperwork with our brand new app now available to download. It's the quick and easy way to track and complete vehicle inspections at the touch of a button.

Easily create inspection reports with access to a suite of standard reports that you can tailor to your needs - giving you comfort that drivers are checking vehicles when you want them to.

Our mobile app allows drivers to complete inspections in a matter of minutes and submit the results in real time. Combined with the option to submit photos of the vehicle and any damage, the app supports you and your drivers in being more compliant and safe.

Keeping track of your vehicles can seem like an impossible task, drivers can save time with reports that are automatically location and time stamped - this also means better record-keeping for your business.

The Northgate Temperature Controlled Vehicle Inspection App allows you to easily report any faults to your supplier, allowing you to deal with issues quickly and reduce downtime.

KEY BENEFITS AND BENEFITS

- ✓ Peace of mind that your drivers are checking what you want, when you want.
